Details

No insurance? No problem! Did you lose your coverage? Is insurance so complicated and frustrating that you've had enough?! We're with you and we understand completely. We have an in office membership savings plan for patients without insurance. Now you can take control of your health at an affordable rate.

We've designed a plan that's simple with no maximum, no limitations on cleanings (or anything), no preauthorizations, and no waiting periods. Yep, that's right! It's very simple. Here's how it works:

- * \$259 annually (12 month cycle) or \$30/month for 12 consecutive months (Yearly membership fees are much cheaper than insurance premiums.)
- * includes full set of Xrays, 2 regular cleanings, 1 comprehensive exam or 2 recall exams
- * includes 1 emergency exam plus 1 emergency Xray
- * includes 1 oral cancer screening (\$45 value)
- * includes 15% off all standard fees (10% off if using Care Credit)
- * includes \$500 off Invisalign

- * After the 5th year, you get 7% off of your annual or monthly membership fee
- * patients can opt out for a full refund within 30 days as long as no treatment has been rendered
- * *This is a savings plan and is NOT dental insurance. Valid for our office only.*
